

Certificate in Sacred Theology (Level 4)

Sacred Heart of Jesus Seminary

The aim of this programme is to provide seminarians with a foundational understanding of Theology, develop knowledge, skills and experience by connecting their own reflection on the Christian faith with real life practical contexts, equipping them for service in the church and wider contexts. The CertST programme also provides a pathway into further study for further personal and professional development.

Seminarians can study towards the CertST on campus in Kimbolton, or by Distance Learning. This programme also allows for a range of flexible learning options, including a combination of on campus and Distance Learning courses, as well as part-time study.
